

CHICAGO'S
101 BEST AND
BRIGHTEST[®]
COMPANIES TO WORK FOR
WINNER 2016

Building a Groundbreaking Company Culture

Gallant Named One of Chicago's Best & Brightest Companies to Work For.[®]

We're very excited and proud to announce that the National Association for Business Resources Best and Brightest Program has awarded Gallant the distinction of being one of 2016's Best & Brightest Companies to Work For in Chicago. We are being recognized alongside a number of other distinguished companies in the program's small business category.

At Gallant, the quality of our work environment is as important to us as the quality of the services we provide. To be celebrated for our corporate culture and for the satisfaction of our employees is truly an honor.

Our mission is to deliver a WOW experience in everything we do and that starts with our team. Without their hard work and dedication we wouldn't be able to be the company we are today.
